WM. JEWELLS TOO LIGHT

NEBRASKANS WALK OVER THEM WITH A 38 TO 0 SCORE.

Superior Weight of Last Year's Western Champions Largely Responsible-A Wenk Spot in Nebraska's Line.

The Nebraska football players last year's champions of the Western Intercollegiate League, bowled over the canvas-backed youngsters from William Jewell yesterday afternoon, defeatnig them by a score of B to 0. The game was played at Exposition park, before a handful of spectators, most of whom wore the colors of the Bap-

Nebraska's ability to outplay their opponents could easily have been demon-strated had they scored only half as often. Just eighteen minutes after the commencement of play, Captain Melford kicked the goal which made the score 18 to 0, and, while the game lasted, barring the time taken out at intervals to allow the players of both sides to lay in fresh supplies of wind, the champions made touchdowns with great regularity. Every time the leather was carried across the goal line it was planted squarely beneath the posts and Melford had no difficulty kicking any of

The William Jewell players are several sizes too light to line up against such an array of giants as the Nebraska line presented. The average weight of the Baptists is less than 160 pounds, while the Nebraska figure is very much closer to 175.
The William Jewell also did some disastrous fumbling and were painfully slow in carrying the ball and getting up the field on punits.

The Nebraskans had their opponents scared at the start and their score was nearly twenty when the Missouri youngsters awoke to the fact that they themselves could play a little football. They located a weak spot in the Nebraska line located a weak spot in the Nebraska line and crashed through repeatedly. Only the overwhelming superiority of weight coupled with the too frequent fumbling, prevented a touchdown in that one rally made by the Missourians. The ball was forced to the twenty yard line and there sacrificed.

The same difficulty which was noticeable in the work of the Nebraskans last year was apparent yesterday. Barring Benedict, whose work was the feature of the day, they were very slow in getting down the field. The interference was good, but the halves might follow it more closely, to advantage. The Nebraskans always took their time in forming in line after a down and in putting the ball in play.

In the making of gains, Halfback Benedict came pretty close to being the whole works, his spuris of fifteen, twenty and twenty-five yards being of too frequent occurrence to excite great interest. Melford punted for a number of good gains. The Nebraska line is by no means as strong on defense as it will need to be if it expects to offer strong resistance to the ouslaughts of such an aggregation as Mosse, Hamill and Smith, of Kansas. Time after time the William Jewells plowed straight through the mighty Turner's territory.

Three minutes after the commencement and crashed through repeatedly. Only th

Three minutes after the commencement of play the Nebraskans scored their first touchdown. Pillsbury carrying the ball after a fifteen yard run. The leather was again worked to within five yards of the line, when Nebraska fumbled, but secured the ball on a fluke by William Jewell. Kingsbury was forced over for the second score. Benedict rounded right end for thirty yards and then made forty-five around left, planting the ball beneath the posts twelve minutes after the second touchdown.

posts twelve minutes after the second touchdown.

Then the Baptists made their rally, which lasted but a few minutes, but which brought to light unmistakable weak spots in the Nebraska line. Repeated gains were made by hitting the line, and Porter, William Jewell's best ground gainer, skirted the Nebraska's right end for thirty yards. On the twenty yard line Nebraska secured the hall on a fumble.

In the second half the William Jewells showed the effect of their hard work in the forepart of the game and offered little resistance to the attacks of their heavier opponents. Two yards from the goal line Folimer fumbled the ball and it rolled

KANSAS 33, WARRENSBURG O. Jayhawks Win From the Normal

School Eleven in a Very Onewided Contest. WARRENSBURG, MO., Oct. 22,-(Spe-

cial.) The Kansas Jayhawkers smothered the state normal football team on the normal campus this afternoon by a score of 33 to 0. Kansas made all her touch-

of 22 to 0. Kansas made all her touchdowns in the first half, after which the
Normal boys took a brace and played
good bail. It was an ideal football day and
everybody turned out to see the game, the
attendance reaching 1,300.

The normal won the toss taking the ball
giving Kansas the west goal. Harris kicked off to Hamill, who returned twenty
yards. Kansas played fierce and fast, completely bewildering the normal by their
swift plays. After good gains around the
end and through the center a trick play
brought the ball to a yard from the Warrensburg goal, and Buzzl was pushed over
for a touchdown. The normal players went
to pleese and the first half ended Kansas

In the second half the normal braced up and by good line bucking by Cockrell and Walts and an end run by Haller carried the ball to the Kansas fifteen-yard line. Harris attempted a drop kick for goal, but falled. Kansas carried the ball up the field rapidly to the normal's 40-yard line, and Mosse kicked goal from the field. No touchdowns were made in this half and the game ended 23 to 0 in favor of Kansas. At night the Kansans were given a reception followed by a hop in entertainment ball.

the first half had been played. The playing, however, was almost altogether in Northwestern territory. The improvement in the work of the Chicago line over its ragged work of a week ago with Beloit was so marked as to be almost startling. The men played well together, and the tandem plays against tackles which Northwestern used frequently at first were seldom productive of much gain. On the other hand, Northwestern was utterly unable to stop the marconis' heavy backs in their plunges through the line. through the line

PRINCETON DEFEATS CORNELL

Tigers Win First Big Eastern Game After a Hard Fought Struggle.

PRINCETON, N. J., Oct. 22.-In an ex-citing game of football this afternoon Princeton won from Cornell, 6 to 0. The eams were almost evenly matched and the battle waged from one side of the field to the other during the early part of the game, neither team seeming to have the advantage. At first Cornell started off with a rush, but after the Tigers had learned the Cornell plays the ball changed hands and was carried steadily down the fleid for the only touchdown of the game. Retter took the pigskin over the line and Mills kicked the goal. This was the only score made during the game.

In the first half Cornell was within thirty yards of Princeton's goal and in danger of losing the ball on downs. Starbuck, the Ithacan fullback, tried for goal from the field, but failed. In the second half Cornell played the same sturdy, bulldog game, but the Tigers had the smell of blood and were not to be outplayed. battle waged from one side of the field to

Yale 18, Carlisle 5.

NEW HAVEN, CONN., Oct. 22.—Yale this afternoon defeated the Carlisle Indians at football, 18 to 5. The game was a sensational one and at the end of the first half the score stood only 6 to 5, it seemed alarmingly dangerous for Yale. The five points to Carlisle's credit are due to Quarterback Hudson's marvelous skill in dropping a goal from the 4-yard line. The trick caused consternation in the Yale line and after that the Indians played Yale to a standstill for a few minutes. The Carlisle rush line seemed too much for Yale, but the reason of this became apparent when, in the second half, after Yale had changed signals, the Indians found the line nearly always impregnable.

Pennsylvania 32, Lufavette 0,

PHILADELPHIA, PA., Oct. 22.—The PHILADELPHIA, PA. Oct. 22.—The University of Pennsylvania football eleven defeated the Lafayette kickers this afternoon by the score of 32 to 0 in twenty-five minute halves. Pennsylvania fumbled wretchedly, but this was to a great extent dus to the bad passing of their center and the slippery ball. The field was ankle deep with mud and it was almost impossible for the men to get started.

Lafayette could make but little impression on Pennsylvania's line, only getting their distance once during the entire game. The red and blue pushed the Easton all over the field, but almost invariably lost the ball on a fumble when within ten or fifteen yards of Lafayette's goal.

Another Chance for Woodruff. LAWRENCE, KAS., Oct. 22.—(Special.)
The Merchants' Athletic Association of this
city has started a movement to retain Dr.

team for the association next year. The
association is now erecting the finest clubhouse in the state and one of the finest nouse in the state and one of the finest in the West. It will be fitted with all the pose inaugurating a series of sports to keep up interest.

Fort Scott 6, High School 5. FORT SCOTT, KAS., Oct. 22.—(Special.)
The Fort Scott football team this afternoon defeated the Kansas City high school team by a score of 6 to 5. The first half resulted in a score of 6 to 0 in favor of Fort Scott, and the Kansas City eleven made a touchdown in the second half. Fort Scott had but one man on the line who played in the game with the Medics, the captain of the team.

Midland 6, St. Joe Medics 0. ATCHISON, KAS., Oct. 22.—(Special.) The Midland college team to-day defeated the St. Joseph Medics on the college campus by a score of 6 to 0. The features of the game were the tackling of Skogard and Hoversous, of Midland, and the punting of the St. Joseph fullback. There was much wrangling.

JAMBOREE, BEST MUDLARK. Wins the Two Mile Race at Latonia on a Muddy Track, From Elusive.

CINCINNATI, O., Oct. 22.-The Kentucky Central stakes for 2-year-olds at one mile, was run at Latonia over a sloppy track. The race was only a gallop for The Ken tuckian, the odds-on favorite. There was nothing in the race that could even make him extend himself. The Barrister did not show any of his early spring speed; but got the place just as easily as The Kentuckian took the first money. The track was a sea of mud and the race was run in the slow time of 1:50. The only exciting event during the day was the two-mile race, which was captured by that good old mudlark, Jamboree. Elusive made a bid for the money in the stretch, but T. Knight, her jockey, could not handle her, and she was beaten a head at the post. Knight, only weighs about 80 pounds and stiff from the cold after the long journey, he had to be lifted out of the saddle when the boys were dismounting. Jockey Nutt was suspended after the last race for an incompetent ride on Gallivant. Weather rainy. Summary:
